1. Daily operations reports are forwarded to individual rail system headquarters either by system telegraph or yard mail. These reports are reforwarded to Ministry of Transportation in Moscow by telegraph or telephone.
2. The various rail systems' headquarters are connected by direct phone line with Ministry of Transportation in Moscow. This telephone connection is for the convenience of the ministry primarily. Orders from the ministry are thus quickly implemented.

This unevaluated information for US Officials
Only is supplied for the possible interest of
your analysts. It does not warrant dissemination by report.
